HYDERABAD COUNCIL OF HUMAN WELFARE

To evolve and implement effective models of sustainable development based upon the needs and demands of the target group involving their active participation.

To secure a safe childhood for every child in society that upholds and values the right and the dignity of every child.

To promote HCHW as a transparent, multi-disciplinary non-profit organization offering quality services with utmost dignity and care.

We envision a society where every individual has equal opportunities, free from all forms of discrimination, strengthening their inherent capacities to live a dignified life.
